Why Samsung

## Samsung is growing at an impressive rate. It has proven time and again that it is a world class tech leader

At Samsung the key to our efforts is our people, whose talent, creativity and dedication is the foundation of our success. To compete in the global market, we focus on attracting the best talent and offer a corporate culture in which every person can excel.

Samsung's philosophy is based on our strong determination for growth, perpetual innovation and good corporate citizenship. Our practices have proven successful - we are one of America's fastest growing companies and an acknowledged leader in the digital convergence revolution. As one of the largest companies in the world, the possibilities are truly endless.

In our pursuit of excellence, Samsung is continuously looking for dynamic individuals. Become a part of Samsung and let your potential soar.
